doggie daycare

Drop off any time between 6:30 a.m. and 7:00 p.m. While you're at work, your dog will be cared for in a respectful, loving environment. He will play, make friends and be really, really tired by the time you pick him up.

The closest thing you'll find to a hip boutique hotel for your dog, BARK! offers private suites! Our private suites are spacious 20 sq. ft. runs with the highest quality fleece bedding provided. Your dog will receive loving, attentive care. We are happy to accommodate special diets and most health needs.

training

One of Denver's top dog trainers, Lisa Sickles, CPDT, will hold various classes at BARK! We can also arrange private or specialized dog-training sessions through Lisa. Additionally, all BARK! staff members are themselves trained by Lisa to use the positive reinforcement techniques she teaches in her classes.

Our spa is immaculately clean and offers a natural, holistic experience. Services include bath & brush treatments with high-quality organic shampoos, ear cleaning, nail trimming and brushing.
